Legislative Council.

The 22nd December 1855.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General on the 21st December 1855, and is hereby promulgated for general information:—

ACT No. XXXVI OF 1855.

An Act to empower Officers of Customs and Land Revenue to search Houses and other enclosed places for contraband Salt in the North-Western Provinces.

Preamble.

WHEREAS the existing laws do not empower Officers of Customs or Land Revenue in the North-Western Provinces of the Presidency of Bengal to search houses and other enclosed places for Salt manufactured or stored contrary to the provisions of Act XIV of 1843, and it is expedient to give them power to do so: It is enacted as follows:—

Particulars to be recorded by officer on receipt of information as to unlawful manufacture of Salt, &c.

I. Whenever any Collector or other Officer of Customs or Land Revenue, not being under the grade of Assistant Patrol in the Customs department, or of Naib Tehseeldar in the Revenue department, receives credible information that, within his jurisdiction, Salt is unlawfully manufactured, in any dwelling-house, ware-house, or other enclosed place, or that Salt is unlawfully stored in any such house or place within the limits of Customs jurisdiction as defined by the Government of the North-Western Provinces of the Presidency of Bengal under the provision of Section III of Act XIV of 1843, he shall first record in writing the name, residence, and calling of the informant, the locality and description of the house or place where he believes the Salt to be manufactured or stored, and the name of the owner or occupant of such house or place, or the name of the person for or by whom such Salt is manufactured or stored, and, with respect to Salt stored, the supposed quantity and description of such Salt, with the grounds for believing the same to be contraband.

Officer thereupon may summon Police and proceed to search a house for contraband Salt.

II. The said Officer, after recording the particulars aforesaid, may summon from the nearest Police Station a Police Officer, not being under the grade of a Jemadar, to attend him, and with such Police Officer and informant proceed to the said house or place, and in their presence search the same for Salt unlawfully manufactured or stored; provided that such search be not made between sunset and sunrise.

Proviso.

Officer may break open doors.

III. The said Officer, in company with such Police Officer, may break open the door or force an entry within the said house or place, if, upon requisition duly made, the door be not opened, or admission be refused, by the owner or occupant thereof.

Rules regarding forcible entry.

IV. A forcible entry under the last preceding Section shall only be made in accordance with the rules and precautions prescribed by Regulation XX of 1817, and by Section X Regulation V of 1800 (for the Benares Province,) and Section XIX Regulation XXVIII of 1803 (for the Ceded and Conquered Provinces), for breaking into a house for execution of process of distraint.

Proviso.

Provided, however, that the responsibility for the act, and the determination whether to force an entry or not, shall rest with the Officer of Customs or Land Revenue only.

What to be deemed contraband salt.

V. No Salt found stored in any house or place within the limits of Customs jurisdiction mentioned in Section I of this Act, not being Salt unlawfully manufactured thereat, shall be

deemed contraband, unless the quantity found shall exceed five seers in weight.

Penalty if Police Officer refuses or neglects to attend or aid in search or seizure.

VI. Civil Servants, who have been absent on Medical certificate during any portion of a calendar year, are not entitled to leave under this Rule during that year; nor can leave under this Rule be taken in connection with, or continuation of, leave granted under Section XIV. Clause 1.

Existing Rules.

A second leave of the same description cannot be taken till the expiration of six years from the date of return to duty from a former leave. EDMUND DRUMMOND,
Accountant to the Govt. of Bengal.

FORT WILLIAM,
The 9th October 1855.

Notification.

Fort William, the 11th December 1855.

NOTICE is hereby given, that on Thursday, the 10th January 1856, at the hour of Eleven o'Clock in the Forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for Exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1854-55, subject to the following Conditions, *viz.*:—

Produce of Behar Agency,	Chests	2,440
Ditto of Benares Ditto,	,,	1,020
Total,	Chests	3,460

Conditions of Sale.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted, except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M. and shall not be continued after the hour of 5 P. M., but if at that hour any of the Lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining Lots are disposed of; or if the quantity of 3,460 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th. Each Lot to contain Five Chests.

5th. A deposit in a Promissory Note, either for 25 per cent. even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the Lot is registered in the Sale Book; and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Tuesday, the 15th Jannary; or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale, as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last-mentioned Condition, if remaining unredeemed on the said 15th January, will be placed in the hands of the Attorney to the Hon'ble Company, for realization in such manner as to him shall seem fit.

7th. No tender of money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8th. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Friday, the 25th January 1856; and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time, and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities, under the 5th of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11th. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12th. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually, until a bid is obtained; and the first *bonâ fide* bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent Lots as he may think proper; provided always that no Lot shall be sold below the minimum price of Rupees 400 specified in the 2nd Clause of these Conditions.

13th. The purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots of the same Agency Opium to the extent of Twenty-five Lots; and for the Lots so purchased, the purchaser shall deposit for each Lot 25 per cent. even money of the amount bid by him for the first Lot, or Rupees 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the Examination of such Opium.

16th. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium, for the year 1854-55, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17th. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18th. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities,* more or less, of Behar and Benares Opium, will be brought to Sale in the year 1856 on or about the

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1856, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within thirty days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 41,508 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose:—

Article of the Convention above referred to.

Article 6th. "With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*."

R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered. —*Phœnix, November* 13, 1855.

Calcutta,
The 21st December 1855.

Notice.

THE following Rules which, under the orders of the Government of India, have been issued for the guidance of the Officers of the Post Office, are published for general information :—

1st. Letters arriving at the Presidency Towns by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address. Such changes will be left to be discovered by the Delivery Officers, and be corrected in the Forward and Unclaimed Departments of the Office.

2nd. A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd. Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged in addition to all other postage due or paid thereon, upon every letter, without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th. The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

Director General of the Post Office in India.

Produce of Behar Agency, ...	Chests 2,440
Ditto of Benares Ditto,.....	„ 1,020
Total,	Chests 3,460

Conditions of Sale.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted, except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M. and shall not be continued after the hour of 5 P. M., but if at that hour any of the Lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining Lots are disposed of ; or if the quantity of 3,460 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th. Each Lot to contain Five Chests.

5th. A deposit in a Promissory Note, either for 25 per cent. even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the Lot is registered in the Sale Book ; and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Tuesday, the 15th Jannary ; or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale, as the Board of Revenue shall see fit ; and all losses and expenses whatsoever attending such Re sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last-mentioned Condition, if remaining unredeemed on the said 15th January, will be placed in the hands of the Attorney to the Hon'ble Company, for realization in such manner as to him shall seem fit.

7th. No tender of money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8th. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Friday, the 25th January 1856; and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time, and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities, under the 5th of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11th. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12th. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually, until a bid is obtained; and the first *bonâ fide* bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent Lots as he may think proper; provided always that no Lot shall be sold below the minimum price of Rupees 400 specified in the 2nd Clause of these Conditions.

13th. The purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots of the same Agency Opium to the extent of Twenty-five Lots; and for the Lots so purchased, the purchaser shall deposit for each Lot 25 per cent. even money of the amount bid by him for the first Lot, or Rupees 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the Examination of such Opium.

16th. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium, for the year 1854-55, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17th. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18th. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities,* more or less, of Behar and Benares Opium, will be brought to Sale in the year 1856 on or about the

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1856, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within thirty days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 41,508 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose:—

Article of the Convention above referred to.

Article 6th. "With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*."

"Cannonier Point."

This is a *fixed* Catoptric Light, also of the first order.

It is situated in Latitude S. 20° 0′ 35″ and Longitude E. 57° 22′ 39″. Its elevation above the mean level of the sea is 39 feet 6 inches, and it will be seen from the deck of a vessel 13 feet above the water, a distance of about 10 Nautical Miles.

The objects of this Light are, to indicate the position of a dangerous shoal, nearly 1¾ miles from the shore, and to keep vessels clear of the coral reefs to the North-East and South-West of the Point.

"Harbour Mast Lights."

One of these is placed as a leading Light (Red) at the Martello Tower at the mouth, and on the left bank of the Grand River; and the other (Green) at Fort George, on Tonnelier Island.

GENERAL DIRECTIONS.

Vessels making the land from the Eastward (Windward) side of the Island should give a berth of 2½ Miles to the reefs off Amber Island and be careful not to approach the Light on Flat Island on a course to the Westward of N. W. by N. ½ N., until Gunner's Quoin bears *West*, when they may shape a mid-channel course between Gunner's Quoin and Flat Island.

When to the Westward of the Quoin the Light at Cannonier Point will become visible and must be approached with the Flat Island Light, bearing astern E. N. E. ½ N., until abreast of Cannonier Point, when that Light will bear S., E. by S. a berth of rather more than 2 Nautical Miles being thus given to the dangerous reef and shoal off the Point.—They may then haul up to S. W. by S. for the anchorage distant about 10 Nautical Miles, taking care to keep the Cannonier Point Light *white* for a distance of 6¾ Miles, when the Flat Island and Cannonier Point Lights will appear in one—the change of this color to red within that distance will indicate a too near approach to the end.

The *red* Light at the mouth of the Grand River will now be opened bearing S. S. W., for which vessels may safely steer until the Mast Light (Green) upon Fort George on Tonnelier Island bears S. E. ½ S., when they may immediately let go the anchor, being on the best ground—a nearer approach to the Light at Grand River would bring them too close to the reefs.

If the night is clear, the "Corps de Garde" Mountain will be clearly seen in line with the Grand River Light.

It is, however, generally advisable for vessels passing Cannonier Point at night, to lay to, keeping sail occasionally upon the ship, for the purpose of maintaining a good position for making the anchorage at day-break, in preference to attempting it at night, by which, in a very few instances, any time will be gained. Considerable risk, as well as the necessity for anchoring outside at all, will also be thus avoided.

Notice.

THE following Rules which, under the orders of the Government of India, have been issued for the guidance of the Officers of the Post Office, are published for general information :—

1st. Letters arriving at the Presidency Towns by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address. Such changes will be left to be discovered by the Delivery Officers, and be corrected in the Forward and Unclaimed Departments of the Office.

2nd. A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd. Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged in addition to all other postage due or paid thereon, upon every letter, without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th. The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

7th. No tender of money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8th. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Friday, the 25th January 1856; and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time, and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities, under the 5th of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11th. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12th. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually, until a bid is obtained; and the first *bonâ fide* bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent Lots as he may think proper; provided always that no Lot shall be sold below the minimum price of Rupees 400 specified in the 2nd Clause of these Conditions.

13th. The purchaser of any Lot* shall have the option of naming and purchasing, in immediate succession, any number of Lots of the same Agency Opium to the extent of Twenty-five Lots; and for the Lots so purchased, the purchaser shall deposit for each Lot 25 per cent. even money of the amount bid by him for the first Lot, or Rupees 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue;—

No. 1. Certificate of the Opium now advertized for Sale.

No. 2. Report of the Examination of such Opium.

16th. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium, for the year 1854-55, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17th. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18th. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities,* more or less, of Behar and Benares Opium, will be brought to Sale in the year 1856 on or about the

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1856, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within thirty days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 41,508 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose:—

Articles of the Convention above referred to.

Article 6th. "With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette.*"

ON FLOWERS AND FLOWER GARDENS,

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered.—*Phœnix, November* 13, 1855.

Lights on Flat Island and on the Coast of Mauritius.

LIGHT-HOUSES.

His Excellency the Governor directs it to be notified for general information, that the following Lights will be exhibited on Flat Island and on the Coast of Mauritius, on and from the 1st December next, *viz.*:—

A first class *revolving* Catoptric Light on Flat Island.

A first class *fixed* Catoptric Light on Cannonier Point.

A *red* Mast Light on the left bank, and at the mouth of Grand River.

A *green* Mast Light on Cooper's Island, at the mouth of the Harbour.

Detailed descriptions of, and sailing directions for these Lights are published below for general information.

J. DOWLAND,
Acting Colonial Secretary.

Colonial Secretary's Office,
7th September 1855.

Sailing Directions for making the Anchorage off the Harbour of Port Louis, Mauritius, with reference to the Light-houses recently erected upon "Flat Island" and "Cannonier Point," and also the two Mast Lights near the entrance of the Harbour.

DESCRIPTION OF THE LIGHTS.

"Flat Island."

This is a *revolving* Catoptric Light of the first order, situated at the South West or highest extremity of the Island, in Latitude S. 19° 53′ 26″, and Longitude E. 57° 38′ 8″, determined by Triangulation from the Observatory of Port Louis. Variation of the Compass 11° 47′ 13″ West.

Its elevation above the mean level of the sea (the rise of tide being only about 3 feet) is 366 feet, and it will be visible in clear weather from the deck of a vessel 13 feet above the water, a distance of about 25 Nautical Miles.

"Cannonier Point."

This is a *fixed* Catoptric Light, also of the first order.

It is situated in Latitude S. 20° 0′ 35″ and Longitude E. 57° 22′ 39″. Its elevation above the mean level of the sea is 39 feet 6 inches, and it will be seen from the deck of a vessel 13 feet above the water, a distance of about 10 Nautical Miles.

The objects of this Light are, to indicate the position of a dangerous shoal, nearly 1¾ miles from the shore, and to keep vessels clear of the coral reefs to the North-East and South-West of the Point.

"Harbour Mast Lights."

One of these is placed as a leading Light (Red) at the Martello Tower at the mouth, and on the left bank of the Grand River; and the other (Green) at Fort George, on Tonnelier Island.

GENERAL DIRECTIONS.

Vessels making the land from the Eastward (Windward) side of the Island should give a berth of 2½ Miles to the reefs off Amber Island and be careful not to approach the Light on Flat Island on a course to the Westward of N. W. by N. ½ N., until Gunner's Quoin bears *West*, when they may shape a mid-channel course between Gunner's Quoin and Flat Island.

When to the Westward of the Quoin the Light at Cannonier Point will become visible and must be approached with the Flat Island Light, bearing astern E. N. E. ¼ N., until abreast of Cannonier Point, when that Light will bear S., E. by S. a berth of rather more than 2 Nautical Miles being thus given to the dangerous reef and shoal off the Point.—They may then haul up to S. W. by S. for the anchorage distant about 10 Nautical Miles, taking care to keep the Cannonier Point Light *white* for a distance of 6¾ Miles, when the Flat Island and Cannonier Point Lights will appear in one—the change of this color to red within that distance will indicate a too near approach to the end.

The *red* Light at the mouth of the Grand River will now be opened bearing S. S. W., for which vessels may safely steer until the Mast Light (Green) upon Fort George on Tonnelier Island bears S. E. ¼ S., when they may immediately let go the anchor, being on the best ground—a nearer approach to the Light at Grand River would bring them too close to the reefs.

If the night is clear, the "Corps de Garde" Mountain will be clearly seen in line with the Grand River Light.

It is, however, generally advisable for vessels passing Cannonier Point at night, to lay to, keeping sail occasionally upon the ship, for the purpose of maintaining a good position for making the anchorage at day-break, in preference to attempting it at night, by which, in a very few instances, any time will be gained. Considerable risk, as well as the necessity for anchoring outside at all will also be thus avoided.

Surveyor General.

ON FLOWERS AND FLOWER GARDENS,

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered. —*Phœnix, November* 13, 1855.

LIGHT-HOUSES.

His Excellency the Governor directs it to be notified for general information, that the following Lights will be exhibited on Flat Island and on the Coast of Mauritius, on and from the 1st December next, *viz.*:—

A first class *revolving* Catoptric Light on Flat Island.

A first class *fixed* Catoptric Light on Cannonier Point.

A *red* Mast Light on the left bank, and at the mouth of Grand River.

A *green* Mast Light on Cooper's Island, at the mouth of the Harbour.

Detailed descriptions of, and sailing directions for these Lights, are published below for general information.

J. DOWLAND,
Acting Colonial Secretary.

Colonial Secretary's Office,
7th September 1855.

Sailing Directions for making the Anchorage off the Harbour of Port Louis, Mauritius, with reference to the Light-Houses recently erected upon "Flat Island" and "Cannonier Point," and also the two Mast Lights near the entrance of the Harbour.

DESCRIPTION OF THE LIGHTS.

"FLAT ISLAND."

This is a *revolving* Catoptric Light of the first order, situated at the South-West or highest extremity of the Island, in Latitude S. 19° 53′ 26″ and Longitude E. 57° 38′ 8″, determined by Triangulation from the Observatory of Port Louis. Variation of the Compass 11° 47′ 13″ West.

Its elevation above the mean level of the sea (the rise of tide being only about 3 feet) is 366 feet, and it will be visible in clear weather from the deck of a vessel 13 feet above the water, a distance of about 25 Nautical Miles.

"CANNONIER POINT."

This is a *fixed* Catoptric Light, also of the first order.

It is situated in Latitude S. 20° 0′ 35″ and Longitude E. 57° *32′ 39″. Its elevation above the mean level of the sea is 39 feet 6 inches, and it will be seen from the deck of a vessel 13 feet above the water, a distance of about 10 Nautical Miles.

The objects of this Light are, to indicate the position of a dangerous shoal, nearly *1½ miles from the shore, and to keep vessels clear of the coral reefs to the North-East and South-West of the Point.

"HARBOUR MAST LIGHTS."

One of these is placed as a leading Light (Red) at the Martello Tower at the mouth, and on the left bank of the Grand River; and the other (Green) at Fort George, on Tonnelier Island.

GENERAL DIRECTIONS.

Vessels making the land from the Eastward (Windward) side of the Island should give a berth of 2½ Miles to the reefs off Amber Island and be careful not to approach the Light on Flat Island on a course to the Westward of *N. N. W. ½ W., until Gunner's Quoin bears *West*, when they may shape a mid-channel course between Gunner's Quoin and Flat Island.

When to the Westward of the Quoin the Light at Cannonier Point will become visible and must be approached with the Flat Island Light, bearing astern E. N. E. ½ N., until abreast of Cannonier Point, when that Light will bear S. E. by S., a berth of rather more than 2 Nautical Miles being thus given to the dangerous reef and shoal off the Point. They may then haul up to S. W. by S. for the anchorage, distant about 10 Nautical Miles taking care to keep the Cannonier Point Light *white* for a distance of 6¾ Miles, when the Flat Island and Cannonier Lights will appear in one—the change of this color to red within that distance will indicate a too near approach to the land.

The *red* Light at the mouth of the Grand River will now be opened bearing S. S. W., for which vessels may safely steer until the Mast Light (Green) upon Fort George on Tonnelier Island bears S. E. ½ S., when they may immediately let go the anchor, being on the best ground—a nearer approach to the Light at Grand River would bring them too close to the reefs.

If the night is clear, the "Corps de Garde" Mountain will be clearly seen in line with the Grand River Light.

It is, however, generally advisable for vessels passing Cannonier Point at night, to lay to, keeping sail occasionally upon the ship, for the purpose of maintaining a good position for making the anchorage at day-break, in preference to attempting it at night, by which, in a very few instances, any time will be gained. Considerable risk, as well as the necessity for anchoring outside at all will also be thus avoided.

E. C. FROME,
Surveyor General.
EDWARD KELLY,
Harbour Master.

ON FLOWERS AND FLOWER GARDENS,

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered.—*Phœnix, November* 13, 1855.
